Intermediate (Level 2)	Building competence, practical application	8-12 weeks	Can move to Level 3 or advanced tracks
Advanced (Level 3)	Specialisation, leadership	Ongoing	Can become assistant facilitator
International Track (Level 4)	Partnership-based training, exchange programmes	By selection	Pathway to employment, enterprise

SECTION A: FOUNDATION COURSES

A1: Digital Literacy Curriculum

Level 1: Beginner (6 weeks)

Week	Module	Learning Outcomes	Practical Activity
1	Computer Basics	Identify computer parts, turn on/off, use mouse	Mouse practice games
2	Keyboard Skills	Locate keys, basic typing	Typing exercises
3	Desktop & Files	Open programs, save files, create folders	Create and save a document
4	Introduction to Internet	Open browser, search basics	Search for information
5	Email Basics	Create email account, send/receive	Send email to facilitator

Week	Module	Learning Outcomes	Practical Activity
6	Review & Practice	Consolidate all skills	Complete simple tasks

Level 1 Outcomes:

- Can operate a computer independently
- Can type simple text
- Can search internet safely
- Can send and receive emails
- Ready for Level 2

Level 2: Intermediate (6 weeks)

Week	Module	Learning Outcomes	Practical Activity
1	Email Advanced	Attachments, folders, organisation	Send email with attachment
2	Internet Safety	Recognise scams, safe browsing, passwords	Identify phishing examples
3	Online Forms & Applications	Complete online forms, job applications	Practice online application
4	Introduction to Word	Create, format, save documents	Create a simple document
5	Introduction to Excel	Basic spreadsheet, simple formulas	Create budget table

Week	Module	Learning Outcomes	Practical Activity
6	Online Job Searching	Job portals, alerts, applying	Set up job alert

Level 2 Outcomes:

- Confident with email and attachments
- Understands online safety
- Can create Word documents
- Can use basic Excel
- Can search and apply for jobs online

A2: Employment Readiness Curriculum

Level 1: Foundation (4 weeks)

Week	Module	Learning Outcomes	Practical Activity
1	CV Writing	Understand CV purpose, structure	Draft personal CV
2	CV Refinement	Improve content, formatting	Revise CV with feedback
3	Cover Letters	Purpose, structure, tailoring	Write cover letter for job
4	Job Searching	Where to look, how to apply	Find and apply for job

Level 2: Intermediate (4 weeks)

Week	Module	Learning Outcomes	Practical Activity
1	Interview Preparation	Common questions, research, preparation	Mock interview practice
2	Interview Skills	Body language, answers, confidence	Video-recorded practice
3	Workplace Ethics	Punctuality, communication, teamwork	Role-play scenarios
4	Follow-up & Next Steps	Thank you notes, handling rejection	Practice follow-up email

Level 2 Outcomes:

- Has polished CV and cover letter template
- Confident in interview situations
- Understands workplace expectations
- Ready for job applications

A3: Enterprise Development Curriculum

Level 1: Foundation (8 weeks)

Week	Module	Learning Outcomes	Practical Activity
1	Finding Your Idea	Identify skills, interests, opportunities	Brainstorm business ideas
2	Testing Your Idea	Is there a market? Simple research	Talk to potential customers

Week	Module	Learning Outcomes	Practical Activity
3	Business Basics	What is a business? Key terms	Business quiz
4	Simple Business Plan	Purpose, structure	Draft one-page plan
5	Pricing & Costs	Calculate costs, set prices	Price products/services
6	Money Basics	Income, expenses, profit	Simple record keeping
7	Marketing & Customers	Finding customers, promotion	Create simple flyer
8	Next Steps	Registration, funding, support	Action plan

Level 1 Outcomes:

- Has developed a business idea
- Can create simple business plan
- Understands pricing and costs
- Ready to start small

SECTION B: VOCATIONAL TASTERS (1-Day Workshops)

Workshop	Topics	Practical Activity	Materials Needed
Basic Sewing	Hand sewing, simple repairs, machine basics	Repair a garment	Needles, thread, fabric

Workshop	Topics	Practical Activity	Materials Needed
Food Gardening	Planting, composting, care	Plant seeds in containers	Seeds, soil, containers
Food Handling	Hygiene, food safety, basic prep	Prepare simple dish	Food, utensils
Craft for Income	Beadwork, simple products	Create sample product	Beads, wire, tools
Home Maintenance	Basic repairs, painting, tools	Practice simple task	Tools, materials

SECTION C: ADVANCED MANUFACTURING TRACK (CHINA PARTNERSHIP)

Level 1: Introduction to Manufacturing (8 weeks – Fortnightly Saturdays)

Session	Module	Learning Outcomes	Partner Input
1	The Vision	Understanding plastic waste crisis, opportunity	Video/intro from China partner
2	Plastic Types & Recycling	Identify plastics, recycling process	Technical guide
3	Plastic Brick Technology	How bricks are made, applications	Case studies
4	Introduction to Steel	Steel types, basic fabrication	Tool demonstration

Session	Module	Learning Outcomes	Partner Input
5	Product Design	Designing simple products	Design exercise
6	Safety in Manufacturing	Workshop safety, protective equipment	Safety guidelines
7	Local Opportunities	How this applies in SA communities	Discussion
8	Selection for Advanced Training	Assessment, interest, commitment	Interviews

Level 1 Outcomes:

- Understands plastic recycling potential
- Knows basic manufacturing concepts
- Demonstrates commitment and interest
- Eligible for Level 2 selection

Level 2: Advanced Training (Selection Only)

Component	Duration	Location	Content
Local Intensive	2 weeks	LICC + partner site	Hands-on practice, equipment training
International Exchange	4-6 weeks	China (partner facility)	Immersion training, technology transfer
Return & pilot	3 months	LICC	Set up pilot production, train others

Level 2 Outcomes:

- Certified in specific manufacturing techniques

- Experience with industrial equipment
- Ability to train others
- Pathway to employment or enterprise

SECTION D: ANIMATION & CREATIVE INDUSTRIES TRACK (JAPAN PARTNERSHIP)

Level 1: Introduction to Animation (8 weeks – Fortnightly Saturdays)

Session	Module	Learning Outcomes	Partner Input
1	The Power of Storytelling	Why our stories matter, examples	Japanese animation showcase
2	Character Design	Creating characters, expressions	Drawing exercises
3	Storyboarding	Planning a story, scenes	Create simple storyboard
4	Introduction to Animation	Basic principles, frame-by-frame	Flip-book exercise
5	South African History	Finding our stories, heroes	Research project
6	Digital Tools Introduction	Basic software, equipment	Software demo
7	Creating a Short	Plan a 30-second animation	Group project planning
8	Showcase & Selection	Present work, feedback	Review for Level 2

Level 1 Outcomes:

- Can design simple characters
- Understands storyboarding
- Created basic animation (flip-book)
- Eligible for Level 2 selection

Level 2: Advanced Training (Selection Only)

Component	Duration	Location	Content
Local Intensive	2 weeks	LICC + studio	Software training, project development
International Exchange	4-6 weeks	Japan (partner studio)	Industry immersion, mentorship
Return & Production	6 months	LICC	Develop South African content, train others

Level 2 Outcomes:

- Proficient in animation software
- Experience in professional studio
- Developed own short animation
- Pathway to creative employment

SECTION E: INTERNATIONAL PARTNERSHIP – PARTICIPANT SELECTION CRITERIA

Criteria	China (Manufacturing)	Japan (Creative)
Commitment	Must complete Level 1, demonstrate reliability	Must complete Level 1, demonstrate passion
Attitude	Positive, willing to learn, team player	Creative, open to feedback, collaborative

Criteria	China (Manufacturing)	Japan (Creative)
Potential	Interest in manufacturing, problem-solving	Drawing/storytelling ability, imagination
Contribution	Willing to train others on return	Willing to share skills, create local content
Language	Basic English (translation provided)	Basic English (translation provided)
Health	Physically able for workshop environment	Able for studio work

SECTION F: COURSE SEQUENCE DIAGRAM

Entry Point	Foundation Courses	Intermediate Courses	Advanced Tracks
All adults	Digital Literacy	→	China Track (by selection)
Job seekers	Employment Readiness	→	Japan Track (by selection)
Aspiring entrepreneurs	Enterprise Development	→	
All adults	Vocational Tasters	→	

SECTION G: SKILLS PROGRESSION TRACKING

Skill Area	Foundation (Level 1)	Intermediate (Level 2)	Advanced (Level 3)
Digital	Basic computer use	Independent online tasks	Can teach others
Employment	Has CV	Interview ready	Can mentor job seekers
Enterprise	Has business idea	Can run small venture	Can train entrepreneurs
Manufacturing	Understands concepts	Can operate equipment	Can train, lead production
Animation	Basic drawing/story	Can use software	Can create content, lead projects

SECTION H: CERTIFICATE OF ACHIEVEMENT

Element	Content
Title	LIWELILE IMPUMELELO COMMUNITY CENTRE – SKILLS DEVELOPMENT PROGRAMME
Text	This is to certify that [PARTICIPANT NAME] has successfully completed [COURSE NAME] – [LEVEL] on [DATE]
Signatures	Skills Development Coordinator, Centre General Manager
Partner Logo (if applicable)	In partnership with [Partner Name]

SECTION I: CURRICULUM REVIEW SCHEDULE

Review	Frequency	Participants
Facilitator Feedback	Monthly	Skills Coordinator + Facilitators
Participant Feedback	End of each course	Participants
Employer/Partner Input	Quarterly	Local employers, China/Japan partners
Full Curriculum Review	Annually	All stakeholders
