Creating Future Leaders

Challenge	Impact	Our Solution
45–60% youth unemployment (15–34 years)	Hopelessness, poverty, crime	Practical skills for employability
Digital divide	No computer skills, cannot apply online	Free digital literacy training
Poor job application skills	No CV, no interview confidence	Employment readiness workshops
Untapped entrepreneurship	Ideas without business knowledge	Enterprise development training
Lack of practical skills	Limited income-generating options	Vocational tasters (sewing, gardening, food, crafts)
Global skills gap	No access to advanced manufacturing or creative industries	China & Japan international partnership tracks
