Age-Appropriate Meal Menu

NPO 167-542 | PBO 930052254

22 Fox Glove Avenue, Primrose, Germiston

Menu Design Principles

Principle	Application
Nutritious & balanced	Each meal includes protein, carbohydrate, vegetables
Kid-friendly	Familiar, tasty, appealing presentation
Affordable	Uses seasonal, cost-effective ingredients
Culturally appropriate	Reflects local food preferences
Allergen-aware	Common allergens identified (dairy, eggs, wheat)

4-Week Rotating Menu (Monday – Friday)

Week 1

Day	Meal	Components	Allergens
Monday	Chicken stew with rice	Chicken, carrots, peas, rice	None

Day	Meal	Components	Allergens
Tuesday	Macaroni & cheese	Pasta, cheese sauce, mixed vegetables	Dairy, wheat
Wednesday	Samp & beans with vegetable relish	Samp, beans, tomato & onion relish	None
Thursday	Fish fingers, mashed potato, peas	Fish fingers (crumbed), potato, peas	Wheat, fish
Friday	Vegetable soup with bread rolls	Mixed vegetables, stock, bread	Wheat (bread)

Week 2

Thursday	Sausage & mash with gravy	Sausages, mashed potato, gravy	Wheat (sausages)

Day	Meal	Components	Allergens
Friday	Fruit salad & yogurt	Seasonal fruit, plain yogurt	Dairy

Special Dietary Alternatives

Dietary Need	Alternative Options
Wheat allergy / gluten-free	Rice cakes, corn porridge, gluten-free bread
Dairy-free	Use margarine instead of butter; serve fruit instead of yogurt
Egg-free	Omit egg dishes; substitute with beans or lentils for protein
Peanut allergy	Omit peanut butter; use jam or cheese instead
Vegetarian	Offer bean/lentil/egg options; ensure no meat products

Portion Sizes (Age 6–12 years)

Food Group	Portion Size	Examples
Carbohydrates	½ – 1 cup	Rice, pasta, pap, bread (1 slice)
Protein	50–70g	Chicken, fish, beans, egg (1), mince
Vegetables	½ cup	Mixed veg, salad
Fruit	1 small piece or ½ cup	Apple, banana, orange, fruit salad

Food Group	Portion Size	Examples
Dairy	½ cup	Milk, yogurt, cheese slice

Meal Service Guidelines

Guideline	Practice
Hygiene	All food handlers wash hands; serving utensils clean; surfaces sanitised
Temperature	Hot food kept above 60°C; cold food below 5°C
Portion control	Use standard scoops; seconds available if supply allows
Allergen awareness	Menu labels indicate allergens; alternative offered if requested
Supervision	Staff and volunteers eat with children to model healthy eating
