1. EXECUTIVE SUMMARY

Liwelile Impumelelo Community Centre (LICC) is a registered non-profit organization (NPO 167-542) founded in 2016 to serve vulnerable communities in Germiston's informal settlements (Marathon and Ramaphosa). After nine years of voluntary operation, LICC underwent comprehensive restructuring in 2024–2025, establishing a professional governance structure, securing formal premises, and developing robust financial and operational systems.

Today, we operate from a **strategic community campus** at 22 Fox Glove Avenue, Primrose – a converted day care Centre now serving as a multi-purpose hub for **five integrated programmes**:

Programme	Beneficiaries	Annual Reach
P1: Elderly Feeding & Wellness	50 seniors daily	13,000+ meals
P2: Arts & Culture	40+ weekly	200+ participants
P3: Sports & Youth Development	150+ youth weekly	300+ youth
P4: Skills Development (Enhanced)	200+ annually	500+ learners
P5: Pupil's Afterschool Programme	50-75 pupils daily	150+ pupils

Programme	Beneficiaries	Annual Reach
TOTAL	500+ direct beneficiaries	1,650+ community members

Our campus also features a **prime 30-metre corner wall** on Primrose's main market street (Fox Glove and Rietfontein Road) – an asset we offer to corporate partners for **mural sponsorship** at R 200,000 per year, combining premium brand visibility with tangible community impact.

Annual Budget: R 1,275,000 (phased over 3 years)

Governance: 8 directors, professional policies, financial controls

PBO Status: Pending (SARS application submitted)

2. ORGANISATIONAL OVERVIEW

2.1 History

LICC was registered on 1 March 2016 by Mzolisi Malusi, a pensioner with deep roots in Germiston's informal settlements. For nine years, the organization operated without external funding, sustained solely by volunteer effort and the Chairperson's personal commitment. This long, unfunded phase is not a weakness but a testament to the organization's authenticity and perseverance.

2.2 Restructuring (2024–2025)

- **May 2024:** New board constituted with eight directors
- **November 2024:** Constitution amended to include all programmes
- **January 2025:** Formal premises secured at 22 Fox Glove Avenue
- **February 2025:** Nedbank account opened; financial policies adopted
- **March 2026:** All five programmes fully documented and integrated

2.3 Registration and Compliance

- NPO registration: 167-542 (active)
- SARS PBO application: Submitted February 2026
- Section 18A: Applied concurrently
- DSD online portal: In process
- Municipal health certificate: In process
