OUR STORY

Liwelile Impumelelo Community Centre was founded in 2016 by a pensioner with deep roots in Germiston's informal settlements. For nine years, we served our community with **nothing but heart**—no funding, no premises, no formal systems. Just commitment.

In 2024–2025, we underwent a complete transformation. Today, we operate from a **strategic community campus** at 22 Fox Glove Avenue, Primrose – a converted day care centre now serving as a multi-purpose hub for **five integrated programmes**.

We combine **nine years of grassroots trust** with **professional governance, robust financial systems, and global ambitions**.

OUR MISSION

To empower under-resourced communities in Germiston through integrated social development programmes that promote dignity, self-reliance, and sustainable community well-being.

OUR VISION

A community where every elderly person eats with dignity, every youth has a constructive path, every adult has skills to thrive, and every child has a safe place after school.

OUR VALUES

Ubuntu	Integrity	Dignity	Excellence	Sustainability
I am because we are	Transparent in all dealings	Respect for every person	Doing ordinary things extraordinarily well	Building systems that last

TESTIMONIALS

"For nine years, I watched this organisation serve our community with nothing but heart. Now they have a home. I'm proud to be part of it."

– Community elder, Marathon Informal Settlement

"The financial controls and governance structure they've put in place exceed what I've seen in much larger NPOs. They're ready for serious partnership."

– Independent advisor

"Our children have nowhere to go after school. This programme gives them hope."

– Parent, Ramaphosa

"When I paint, I forget my problems."

– Youth participant, Arts Programme
