1. INTRODUCTION AND PURPOSE

1.1 Why This Plan Matters

Liwelile Impumelelo Community Centre has transformed from a nine-year voluntary effort into a **fully-fledged community campus** with **five integrated programmes** serving over 500 beneficiaries annually. We now have:

- A strategic physical asset at 22 Fox Glove Avenue, Primrose
- 30 metres of prime corner advertising space on a main market street
- Comprehensive programme documentation for all five pillars
- International partnership ambitions with China and Japan
- A professional governance and financial structure

This Marketing Plan outlines how we will translate this organizational maturity into **visibility, donor support, strategic partnerships, and community engagement**.

1.2 Alignment with Strategic Goals

Strategic Goal	Marketing Contribution
Secure R 560,000 Year 1 funding	Corporate mural sponsorships, programme sponsorships, grant applications
Launch all five programmes	Community awareness, beneficiary recruitment

Strategic Goal	Marketing Contribution
Establish credibility with funders	Professional materials, impact reporting, programme documentation
Develop volunteer base	Targeted recruitment campaigns
Build international partnerships	China/Japan outreach, cultural exchange promotion
Monetize our 30m mural asset	Direct marketing to outdoor media, insurance, retail companies

2. SITUATIONAL ANALYSIS

2.1 Current State Assessment

Area	Current Status
